INTRODUCTION

About us

From UK origins, more than 100 years ago, the **DUNLOP** brand name has established itself with an enviable reputation for high quality products.

This catalogue illustrates our standard range of products manufactured for commercial applications, 25% of our total production is for specialist items to suit individual customer requirements, so please do not hesitate to contact us to discuss your own application.

Dunlop products are now at the forefront of a highly competitive and specialist industry, covering a vast spectrum of applications such as Automotive, Agricultural, Construction, Industrial, Medical and Recreational.

Quality

The reputable standard of our products is the result of a consistently pursued quality policy influencing every area of our company. Not only from the arrival of raw materials through to the delivery of the finished products, but also from the receipt of your enquiry through to invoicing. Our staff are experts in their field and will assist in every way possible to meet your full requirements, deadlines and expectations.

Dunlop products are manufactured to internationally recognised standards and tolerances using top quality materials and workmanship.

UKAS approved manufacturer to ISO 9001:2008 and ISO 14001:2004.

INTRODUCTION

Facility

Our European Distribution Centre is based in Ashford, Kent, UK, extends to over 66,000 square feet (6,131 square meters), comprising of Administration, Warehousing and Production facilities. Our stock range of products is now one of the largest found anywhere in Europe and covers more than 100 product lines and over 50,000 individual components.

Dunlop products are manufactured in the UK, throughout Europe and Asia.

Environment

As a leading manufacturer, Dunlop takes its environmental responsibility very seriously. Being a socially responsible manufacturer, promoting waste recycling, energy efficiency and supporting local businesses wherever possible to help reduce our impact on the environment.

Our factories aim to eliminate pollution releases and promote high standards of energy and waste management. Standard product ranges are designed for maximum energy efficiency. Our level of environmental commitment remains ahead of the industry trend. UKAS approved to ISO 14001:2004.

Customer Commitment

The entire Dunlop product range is backed with a comprehensive line of support services, including on-going product application research and development, full technical and customer service support, the latest in lean manufacturing techniques and scheduling, state of the art production machinery and quality control procedures, with an intense focus on the requirements and expectation of our customers.

We are proud to be a European manufacturer, it is a privilege to supply our products to many of the World's most prestigious original equipment manufacturers as well as Europe's leading after market distributors.

Ray Mifsud, Managing Director

Our commitment to our staff, our customers and the environment is of paramount importance to our company, we will continue to develop our organisational skills to further enhance our companies potential, to engage in sustainable practices and anticipate the needs and expectations of our customers.
