MayTec System Technology

## The key to success!

### Solutions with Innovative Profile

The Profile System

The Clean-Room System

The Modular Wall System

The Tube Clamping System

The Telescopic System

The Linear System

The Conveyor System

The People Mover System

The Skid Transfer System

Safety Barriers

The Dust Protection System

The Pipe & Joint System

### The ideal profile system

MayTec offers a comprehensive, harmonised profile system. All profiles can be combined in any way conceivable.

The accessories provide functional and aesthetic solutions for a wide range of applications.

### Service

The MayTec service is as versatile as the MayTec profile system. You may choose:

- delivery of standard elements ex-factory
- delivery of profiles and accessories cut to size according to parts list for customer's assembly
- delivery of pre-fitted modular components
- delivery of completely assembled units
- assembly at your premises

### Implementation

The MayTec profile system is easy to process and quick to assemble. Its flexible and modular construction means it can be easily modified and is reusable at any time.

An experienced team will support you in implementing the MayTec system, tailored to your individual applications, taking into consideration your dimensions, loading capacity and stability.
