

EXPLICACIÓN DE LOS SÍMBOLOS | SYMBOL EXPLANATION

Ángulo de hélice
Helix angle

Direcciones de mecanizado disponibles
Machining direction

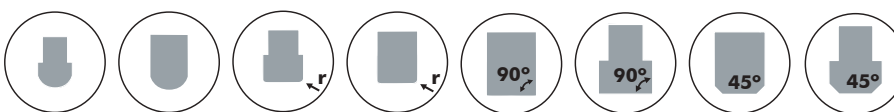

Refrigeración externa
External coolant

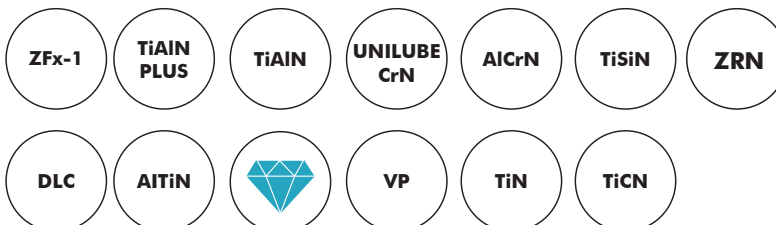

Refrigeración interna
Internal coolant

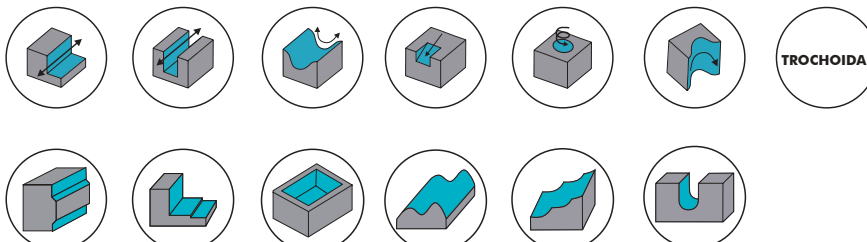

Forma de punta
Point shape

Recubrimiento
Coating

Aplicación
Application

Superficie pulida
Polished surface

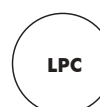

Mecanizado alta calidad
High speed cutting

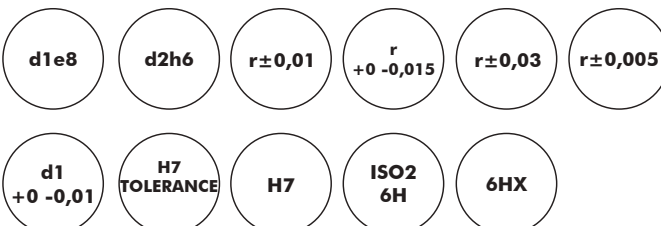

Materiales duros
Hard materials

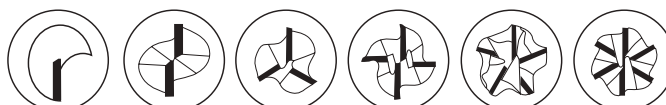

Bajo esfuerzo de corte
Lower power cutting

Tolerancia
Tolerance

Número de dientes
No. of flutes

Ángulo de punta
Point angle

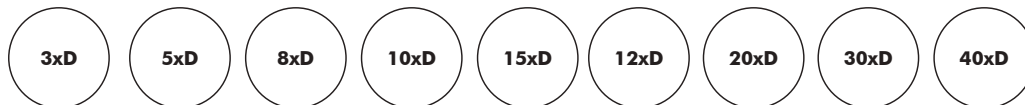

EXPLICACIÓN DE LOS SÍMBOLOS | SYMBOL EXPLANATION

Mango
Shank

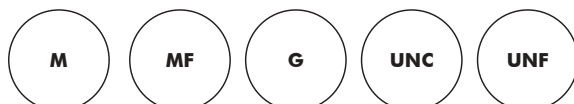

Longitud de corte
Drill cutting length

Tipo de macho
Tap type

Tipo de rosca
Thread type

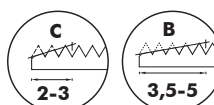

Dimensiones según norma DIN
Dimensions according DIN

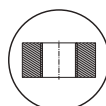

Ángulo de flanco
Flank type

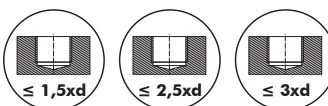

Forma de la punta y nº de hilos
Chamfer form and threads

Agujeros pasantes
Through holes

Agujeros ciegos
Blind holes

Ranuras de lubricación
Lubrication grooves

Aplicación universal
Universal use

Acero
Steel

Acero inoxidable
Stainless steel

Fundición
Cast iron

Materiales no férricos
Non-ferrous materials

Materiales exóticos
Exotic materials

Acero templado
Hardened steel

Grafito
Graphite

Fresado
Milling
