Accessories

Accessory Index

Mounting Kits.....page 132

- Mounting clamps 132
- Mounting clamps for multi axis systems 134
- Mounting plates for multi axis systems 135
- Adapter plates 135
- T-slot bolts and nuts..... 136

Cover and Protection Kits.....page 137

- Felt pad wipers type FA 137
- Shaft protection cover..... 137
- Protective bellows 138
- Protective shrouds..... 139
- Environment protection type S1 and S2..... 140

Motors, Gears and Transmission Kits.....page 142

- Worm gears type BS40 and TBS40..... 142
- Belt gears type RT and BGM 146
- Planetary gears type Micron DT and DTR 152
- Intermediate shafts type VWZ and DSP 154
- Brakes..... 158

Electrical Feedback Devices.....page 159

- Limit switch brackets and limit switches..... 159
- Inductive and magnetic sensors and sensor brackets..... 160
- Encoders 163
- Limit switch kits type ES..... 164
- Sensor rails and kits type ENT, ENF and ENK..... 166
- Encoder kits type ADG..... 168

Non-driven Linear Motion Systems.....page 170

- WHxx non-driven units 170
- WMxx non-driven units 172
- Mxx non-driven units 175

Non-RediMount Linear Motion Systems.....page 176

- WMxx and WVxx non-RediMount units 176
- MLSMxx non-RediMount units..... 178
- Mxx ball screw driven non-RediMount units 179
- WH40 non-RediMount units..... 180
- WMxxZ non-RediMount units 181
- Mxx belt driven non-RediMount units 182
- MLSM80Z non-RediMount units 183
- M50 belt driven non-RediMount units..... 184
- WHxx non-RediMount units..... 184
- MLSH60Z non-RediMount units 186
- WHZxx non-RediMount units 186
