**FASTENING SYSTEMS
FOR CRANE RAILS
VALEX 4023**

RAIL WITHOUT PAD

RAIL WITH PAD

RAIL WITHOUT PAD

FEATURES

Main features:

- possibility of lateral adjustment;
- easy placing and installation;
- easy maintenance;
- the fastening system has been used for years throughout the world in the most demanding conditions with great success.

APPLICATIONS

The fastening system series Valex 4000 for direct fixing has been studied specifically all for crane rails. It's a very simple, rugged and reliable system which can be used with any type of crane independently of the driving system used.

Clip can be used with more type of rails than those listed.
Complete range of the usable rails available on request.
Products and specifications could be changed without previous notice.

GENERAL INSTRUCTIONS

The selection of the fastening system, either for crane rails or train or light (Decauville) rails is a rather important decision both when placing a track or a single rail. The wrong selection could have expensive consequences and create serious problems such as:

- slow down or shut down of the production process,
- excessive and, or irregular wear of the rails,
- damage of the mechanical components,
- damage of the supporting base,
- damage of the fastening systems.

Valex fastening systems have been developed through the experience of more than 90 years of activity.

The Valox fastening systems offer a practically unlimited selection of alternatives which allows for the most effective and efficient performance in nearly every possible situation.

FIXING DETAILS

BOLT NOT INCLUDED

VALENTE SPA, ISO 9001:2008 Certified, has as its main objectives maximum assistance and total satisfaction of its clients.

VALENTE SPA assures and guarantees the origin and quality of its products and provides all the documentation and assistance which could be reasonably requested.

The products and the services offered by VALENTE SPA generate a continuous flow of information and assistance. We are engineers, manufacturers and sellers always available and responsible.
