

RODAVIGO, S.A.

industrial
supplies

GENERAL CATALOGUE

www.rodavigo.net
www.rodavigo.net

This catalog is not a contractual document. Therefore Rodavigo, S.A. is not responsible of its contents due to possible typographical errors

Company located in Vigo, Spain, at Poligono Industrial O Rebullón, s/n. Established in 1985 for the activity of marketing and wholesale distribution of industrial supplies.

The company's first aim is Service Quality, also counting with first class products in highly competitive brands and prices, leaning on our B2B e-commerce platform www.rodavigo.net, which is integrated in real time with our ERP and CRM. It contains more than 600 catalogs and 1.800.000 references of industrial manufacturers and international brands, containing also the internal references that our customers provide.

RODAVIGO is in position of offering the industry and consumers, a wide range of industrial products anywhere in the world. Some of them are present in a reduced format in this catalog.

Customers can check technical characteristics, drawings, photographs and prices on the B2B web portal on www.rodavigo.net, as well as request delivery time, consumption discount and technical advice for the installation of the most appropriate component.

Rodavigo has a department dedicated to the development and updating of digital catalogs, and addition of custom-made customer's references and UNSPSC codes.

Rodavigo has a highly specialized young staff, whose premise is customer satisfaction and continuous improvement, through a management program and audited procedures since 1997, issued by certification company AENOR.

SUMMARY

P. 10-67

1. BEARING ACCESSORIES

Needles - Sealing rings - Steel balls - Sleeves - Rod ends - Aluminium housings - Cast iron housings - Pillow block housings - Housings - Plastic housings - Stainless housings - Bearing housings - Nuts and washers - Adjustment nuts

P. 70-74

2. OILS AND GREASES

Oils – Hydraulic Oils – Greases

P. 76-92

3. INDUSTRIAL ADHESIVES

Fixing – Greases- Gaskets – Cleaning – Lubrication – Retention – Sealing – Silicones

P. 94-110

4. STORAGE AND MOVEMENT

Plastic boxes - Aluminium trolleys - Trolleys - Containers - Ladders - Pallets - Sheets - Lockers - Pallet trucks

P. 112-128

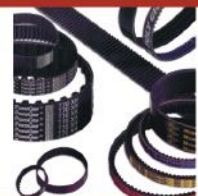

5. TRANSMISSION CHAINS

Slatband chains - Lifting chains - ISO ASA stainless roller chains - ASA steel roller chains - ISO steel roller chains - ISO ASA roller chains - Chain guides - Chain tensioners

P. 130-169

6. TRANSMISSION BELTS

Double trapezoid belts - Polyflex belts - Variable speed drive belts - Classic timing belts - Double Toothed Belts - Polyurethane timing belts - HTD timing belts - Polychain timing belts - Classic profile V-belts - Narrow profile V-belts - Narrow with grooves profile V-belts

P. 172-244

7. TRANSMISSION ELEMENTS

Elastic couplings - Tapered bushings - Fixing bushings - Racks - Transmission crosspieces - Chain discs - Freewheel clutches - Cylindrical gears - Bevel gears - Spindles - Cardan joints - Torque limiters - Agriculture knots - Chain sprockets - Chain sprockets with tapered bore - Stainless chain sprockets - Bevel Gearboxes - Freewheels - Reducers and gearmotors

P. 246-248

8. PACKAGING

Packaging fixing tapes – Strapping – Staplers – Shrink film

SUMMARY

P. 250-266

9. SEALING

V-rings - Mechanical seals - Collars - Gland packing - Piston and roof packing - Guides - Cord stock - Special seals under drawing - O-rings - Scrapers - Oil seals

P. 268-304

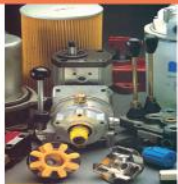

10. TOOLS

Drill bits - Discs - Hand tools - Electric tools - Taps - Metrology - Dies - Bench vices

P. 306-338

11. HYDRAULICS

Pipe clamps - Chromed bar - Honed tube - Gear pumps - Check valves - Vane pumps - Variable pumps - Regulation systems with pumps - Hydraulic cylinders - Distributors - Hydraulic filters - Hydraulic bottle jacks - Hydraulic truck jacks - Hydraulics - Lift tables - Folding cranes - Hydraulic motors - Fittings

P. 340-342

12. CLEANING

Industrial cellulose – Industrial soaps – General cleaners – Cleaning textiles – Cleaning tools

P. 344-350

13. LUBRICATION AND GREASING

Greasing pumps and accessories - Manual pumps - Pneumatic oil pumps - Pneumatic fluid pumps - Mobile oil dispensers - Hose reels - Used oil equipment - Greasing equipment - Oil pump kits - Oil control guns - Lubrication systems

P. 352-388

14. MAINTENANCE AND TRANSPORTATION

Conveyor belts - Lifting and transport chains - Cable chains - Modular elements - Balancers - Slings - Ropes and harnesses - Lifting - Gearmotors and reducers - Drum motors - Rolling rails - Pallet flow rack - Hoists - Powered rollers - Steel rollers - Stainless steel rollers - Plastic rollers - Design your rollers - Industrial wheels - Conveyor wheels

P. 390-396

15. MACHINE TOOLS

Industrial vacuum cleaners - Compressors and fresh air treatment - Rotary screw compressors - Generator sets - Pressure washers - Milling-Drilling Machines

P. 398-416

16. DIE-STAMPING AND RELATED PRODUCTS

Toggle clamps - Self lubricated bushings - Plain bushings - Gas springs - Manoeuvre elements - Anti-vibration damper - Die-stamping springs - Springs under drawing

SUMMARY

P. 418-534

17. PNEUMATICS

Actuators - Shock absorbers - Magnetic sensors - Cylinders - Quick couplings - Automatic quick couplings - Safety quick couplings - Metallic quick couplings - Ejectors - Punch taps - Filtering groups - Valves - Pneumatic logic - Engines - Grippers - Blow guns - Tailpiece fittings - Adapter fittings - Non-return fittings - Sensor fittings - Soft start fittings - Lock fittings - Greasing fittings - Stainless steel push-in fittings - LF-3000 fittings - LF-3600 fittings - Reducing fittings - Regulating fittings - Universal brass fittings - Universal stainless steel fittings - Regulators - Timers - Pneumoelectric pressure switches - Silencers - Screwing systems - Plugs - Vacuum technique - Non sparking tubes - Antistatic tubes - Self-retracting tubes - Polyamide tubes - Polyurethane tubes - PVC tubes - Spiral tubes - Guiding units - Machining units - Directional valves - Continuous valves - Constant pumps - Amplifiers for valves - Valves and solenoid valves - Distribution valves - Universal valves - Suction cups

P. 536-554

18. TRANSMISSION PULLEYS

Timing belt pulleys in inches - HTD timing belt pulleys - Metric timing belt pulleys - Trapezoidal pulleys - Blind trapezoidal pulleys - Trapezoidal pulleys for taper - Variable speed pulleys

P. 556-564

19. PROTECTION AND SAFETY

Hearing protection - Head protection - Eye protection - Respiratory protection - Upper limb protection - Body protection - Lower limb protection - Joint protection

P. 566-604

20. LINEAR ROLLING

Ball transfers - Linear blocks - Linear shafts - Bellows for linear guides - Compact modules - Linear tables - Linear modules - Ball linear blocks - Linear rails - Linear ball bushings - Linear bearings - Linear sets - Steel linear blocks - Spindles - Nuts

P. 606-636

21. BEARINGS

Thrust ball bearings - Thrust oscillating roller bearings - Angular contact ball bearings - Four raceway bearings - Oscillating ball bearings - Oscillating roller bearings - Deep groove ball bearings - Cylindrical roller bearings - Tapered roller bearings - Tapered roller bearings in inches - Needle bushings - Needle roller bearings - Needle roller thrust bearings - Combined needle roller bearings - Support rollers

SUMMARY

P. 638-642

22. SIGNPOSTING

Emergency signposting - Hazard warning signs - Prohibition signs - Obligation signposting - Fire signposting - Acoustic signposting - Optical signposting - Signposting tapes

P. 644-646

23. WELDING

Welding equipment - Electrodes - Stainless threads - Coated electrodes

P. 648-662

24. SCREWS AND RELATED PRODUCTS

Endless hose clamps - Super hose clamps - Retaining rings - Nylon cable ties - Hexagon socket set screws - Screws - Screws index

P. 664-670

25. PIPES AND HOSES

Rubber hoses / air - Rubber hoses / abrasives - Rubber hoses / food products - Aspiration / transportation hoses - PVC hoses for water / liquids - Ventilation hoses - Hydraulic tubes

P. 672-686

26. VALVES AND INSTRUMENTATION

Compressed air equipment – Manometers – Pressure switches – Flow regulators – Pressure regulators – Thermometers – Axial valves – Ball valves – Butterfly valves – Membrane valves – Punch valves – Industrial valves – Stainless steel valves – Pilot valves
